3.2 Incidents of unacceptable behaviour will be dealt with as swiftly as possible. Each incident will be dealt with in context and the school's Behaviour Matrix will be used as appropriate. (See appendix 2)

3.3 Staff, where possible, will deal with situations occurring under their supervision. In some cases the support of school leaders may be enlisted.

4. RECORDING AND REPORTING

4.1 Incidents of unacceptable behaviour will be recorded on Bromcom for future teacher reference.

4.2 If the behaviour is of a safeguarding nature it will be recorded on CPOMS

4.3 'Behaviour Points' will be recorded on Bromcom.

4.4 More serious offences, warranting higher sanctions, reprimands, and additional support from home, will be reported by email or telephone to parents/carers.

4.5 If an incident has occurred during the school day that requires further investigation, it may be deemed appropriate to contact parents to notify them of the steps being taken and the process being followed.

4.6 To support any investigation, it is best practice to provide young people with a voice. To enable this, written or scribed statements will be taken from victims, perpetrators, and any witnesses.

4.7 Incidents of racist behaviour are recorded and reported to the LA each term. Further details to be found in the Racist Incidents Policy.

5. BULLYING

5.1 The school considers incidents of bullying to be unacceptable anti-social behaviour and as such these incidents are dealt with through the Anti Bullying Policy. Bullying may include physical, emotional or social bullying and includes homophobic, xenophobic and other forms of judgemental bullying based on ethnicity, religion or belief, disability, gender reassignment, race, sex or sexual orientation. Bullying can manifest itself in many ways and increasingly includes 'cyber bullying' through the use of technology or social media. Further details to be found in the Anti-Bullying Policy

6. PHYSICAL INTERVENTION

- 6.1 In line with non-statutory advice from the DfE, the school recognises the very occasional need to use physical restraint or intervention.
- 6.2 Reasonable force can be used to prevent pupils from hurting themselves or others, from damaging property, or from causing disorder which may impact or threaten the safety of others.
- 6.3 The decision on whether or not to physically intervene is down to the professional judgement of the staff member concerned and should always depend on the individual circumstances.
- 6.4 If a member of staff has been involved in an incident when they have intervened in a physical nature, they must immediately inform the Member of SLT responsible for Behaviour or another member of the SLT. They should record in detail the nature of the incident and the action taken, as well as the names of any witnesses.

7. SEARCHING AND CONFISCATION

- 7.1 In line with guidance from the DfE (<https://www.gov.uk/government/publications/searchingscreening-and-confiscation>), the Headteacher, or any member of staff nominated by her, has the right to conduct a search of a student's bag and pockets if it is believed that the student may be in possession of the following prohibited items;
- knives or weapons
 - alcohol
 - illegal drugs
 - stolen items
 - tobacco and smoking related paraphernalia (including vapes and e-cigarettes)
 - fireworks
 - pornographic images

- any article that the member of staff reasonably suspects has been, or is likely to be used: i. to commit an offence
ii. to cause personal injury to, or damage to the property of, any person (including the pupil)

7.2 Permission will always be sought from the student before a search is undertaken.

7.3 If the student does not consent to the search, the school is within its rights to search the student against her/his will if there is reasonable suspicion that the student is in possession of a prohibited item.

7.4 Searches should always be carried out with a second member of staff present. One female member of staff should always be present during a search.

7.5 A search can be undertaken by a person of the opposite sex or without a witness if it is felt in the interests of the immediate safety of the student or others that the search be undertaken, and if there is no immediate alternative.

7.6 The school can seize any prohibited item as a result of a search, or however found, if they feel it is detrimental to school discipline.

8. ALCOHOL AND BANNED SUBSTANCES

8.1 Banned substances include alcohol and any recreational drug or substance used to alter a person's mental or emotional state. These may include, for example, cannabis, cannabis based 'edibles', vapes containing cannabis products, 'laughing gas' or any other known drug or drug substitute.

8.2 Students found in possession of, or using, any banned substance can expect to receive at the very least suspensions from school.

8.3 Students found to be supplying others with banned substances, either in school or the way to and from school, can expect to be excluded from the school. The school will take a zero-tolerance policy on such actions.

8.4 In some circumstances, at the discretion of the Head or Deputy, and if a student appears to be under the influence of a banned substance, the school will ask for the students to complete a drug test. Parental consent will be sought beforehand.

9. SUPPORTING STAFF

9.1 Staff can expect to be supported in dealing with unacceptable behaviour. CPD should be made available, and this may include sharing good practice, buddying up or seeking the advice of a senior colleague.

9.2 The school is committed to the development of staff and sharing good practice through its

membership of the Schools' Pastoral Forum.

10. A RESTORATIVE APPROACH

10.1 We will seek to build good relationships between students and between staff and students. A restorative approach involves conversations and reflection around an incident to consider how different choices may have led to better outcomes.

10.2 Whenever possible staff will endeavour to have a restorative conversation in replacement of or addition to a more formal sanction. This may depend on a number of factors including the nature of the incident and/or the willingness of the student to engage.

11. RECOGNITION AND REWARD

11.1 The School is committed to recognising and rewarding not only positive, pro social behaviour but also sustained progress and improvement in any individual student's behaviour choices.

11.2 The school will look to reward and recognise students' achievements in relation to their behaviour in a variety of ways. The school is committed to minimising the use of material rewards and seeks to develop intrinsic rewards that lead to more sustainable changes in behaviour and that develop improved relationships within the school community.

12. TRUANCY

12.1 Truancy will be defined in three categories. Truancy from school, Leaving the school site and Truancy from Lessons.

12.2 Truancy from school occurs when a student does not come in at the start of the day and their Parent believes they are in school. This will be flagged by attendance and once detected the parent will be asked to bring the student into school. If a student presents an additional safeguarding risk to themselves, the police will be called, and the student will be reported as missing.

12.3 If a student leaves the school site during the day, then a parent will be informed as soon as possible. Actions under 12.2 apply.

12.4 The school operates a patrol system during lesson time. If a student is known to be in school and does not turn up for lesson, teachers will mark them as absent and send an email to missingstudents@millais.org.uk. The teacher on patrol, with the support of SSLs and Attendance and Pastoral staff will do a sweep of the building to locate the student.

12.5 Sanctions for truancy will vary in line with the reason for the truancy, the circumstances and the number of times the student has truanted previously.

13. SANCTIONS

- 13.1 A range of sanctions have been identified and will be implemented to deter and provide consequences for unacceptable behaviour.
- 13.2 Low level incidents, such as disrupting the learning of others, will begin with a verbal warning and may lead to the awarding of a 'behaviour warning' which will be logged.
- 13.3 More serious incidents may lead to a 30 minute after school detention. Parents will be informed by email and students will be required to complete a piece of work that reflects upon their behaviour. Where possible, restorative conversations will also happen during this time.
- 13.4 If a student is in school and fails to attend their detention, a longer 60-minute detention will be set for a Friday after school.
- 13.4 Parents have a responsibility to support the sanctions given by the school.
- 13.5 In extreme circumstances the school may decide to internally seclude a student or suspend them from school for a fixed term or permanently exclude them.
- 13.6 Following a suspension, students must attend a reintegration meeting with the Headteacher or other designated member of the Senior Leadership Team accompanied by a parent or carer before returning to school.
- 13.7 In the event of a permanent exclusion the Governors' Disciplinary Panel will meet to hear the case and either uphold or overturn the decision.
- 13.8 A list of behaviours and a stepped approach to sanctions can be found in Appendix 2 'Behaviour Matrix'

 - Assemblies

 - Meetings with parents such as introductory, transition and parent-teacher consultations and school events
